### **Tiffany Update:**

Thank you for the appreciation week. It went beyond everyone's expectation.

My personal favorite was the Hawaiian Shaved Ice.

Behind the scenes - how the staffing works: staffing is chosen by the professionals through the BSD. The reports provided by the district has been surprisingly accurate. Actual numbers per grade and projected number of students. Per grade how many students per class.

General fund for allocation for teachers is 12 teachers for Rock Creek. Local option levy funds create an additional teacher

This decision will be announced in the Rocketeer. The staffing will be shared tentatively - staffing changes often through the summer. There will be opening in Beaverton across the district.

Question about support staff and retention: 1 PE, 1 music, 1 counselor, 1/2 social worker, ESL full time, student success coach, academic coach, all the staff will retain and maintain the same.

The amount of volunteers will depend on teachers needs.

COVID is impacting the school and the teachers right now.

Question: Play in the park to meet kindergarten and first grade meet up. It can't be at Rock Creek because of the construction.

Please have the meet up for Rock Creek play dates for kindergarten and first grade.

Share the list of the teachers by the end of the school year.

The Actual number for the school is only 20 numbers over what is projected for the school.

Additional Business:

OBOB coordinator Rowan asked for additional money of \$50.00 to help purchase books for the library to have couple sets of next years OBOB list of books. Leda made a motion, Becky seconded the motion. All in favor – the motion passed.

Another motion by Leda to reimburse Erica for the subscription for Canva for \$120.00. This program was used for PTC design and formatting.

Tiffany asked if she could have a additional \$400.00 calming tools for students, \$650.00 for book room and \$1,500 for summer enrichment. Leda offered the motion, Erica seconded. The motion passed, all voted in favor.

Officially dismissed at 7:21pm.
